COMBATTING THE AFTERNOON SLUMP, OR WHAT TO DO UNTIL EVENING COMES.

Next Saturday will see a third informal gathering in Richards Counselors' Lounge, in the vein of the past two Saturdays, with appropriate atmosphere provided for chess and checkers (Oriental or domestic), cards, kibitzing, stimulating conversation or sleeping-- just choose the right corner! Perhaps we will again enjoy the animated presence of our Welsh expatriate, Mr. Evans, discussion-provoker par excellence. We've enjoyed ourselves so much that even hearing the Lehigh game on the radio hasn't bothered us!

So drop by, if only for a short break. Recreation as noted above, or anything you can think of; soda, beer, pretzels, chips (potatoe) provided. Jim Fozard will be present as "chaperone". SLM

SUNDAY AFTERNOON

Our Gryphon Society exists to implement the goals and purposes of the University. We are not so conceited or foolish to think we can do it alone, it is a cooperative effort of many. Realizing that we cannot co-operate with those we do not know we are going to talk over fences on Sunday. The strangers in other fields with whom we are going to get acquainted are those men whose offices involve them directly in aiding the University. e.g. I.F.C. President, Arcadia President.

This is a voluntary activity. If you do wish to jaw with the fellows from across the way drop over to the Richards Lounge at about 3:15 P.M. on Sunday. It would be nice if you kept your church clothes on.

"Let us not to the marriage of true admit impediments."
Kurt Nemitz

PARENTS' DAY

Following the Tufts Football game (4:45 P.M.) there will be a cocktail party for all members and friends of the Gryphon family in the Richards House Counselors' Lounge. For those who have made reservations for the Asa Packer Room (George Dolan has seven reservations left,) dinner will be served at 6:00 P.M. Beginning at 10:00 P.M. the Richards House Counselors' Lounge will be open for anyone interested in a place to relax, listen to some music or drink soda. R.C.E.

NOTICES

The Gryphon picture for the 1960 Epitome will be taken tonight, Monday, at 9:00 P.M. in room 308 of the U.C. Let's make sure we are all there on time.

Denis Mulherin would appreciate it very much if those who have not paid their dues would visit him in room 222 Richards and do so.

Our second intramural football game of the season will be played on Thursday, October 8. Those interested should meet in the Drinker parking lot at 4:30 P.M.

Richards House Counselors will meet in the counselors' lounge on Friday, October 9, at 7:00 P.M.

Anyone desiring tickets for the luncheon or the football game on Parents' Weekend must get the money, his I.D. card (for the game) and the cards, properly filled out, to George Dolan before Sunday night, October 11.

There will be a short meeting of those contacted, regarded running a Houseparty function, on Wednesday, October 7 at 7:00 P.M. in the Drinker Counselors' Lounge. D.P.

Dean Campbell has requested that the following announcements be made.

1. The Office of Public Information requests that the following paragraph from 1959 PARENTS' DAY INFORMATION be drawn to all freshmen. "It is suggested that living groups send one representative to exchange all reservation forms for luncheon tickets for all participants of that living group."

2. The Executive Board of the Gryphon Society is requested to meet with the Residence Officers and Dean Campbell Friday, October 9 at 4 P.M. Place University Center, Room 209.

3. First Gryphon Dinner will be held in Asa Packer Room, Thursday, October 8, at 5:30 sharp. Any Gryphon who cannot make this meeting is requested to notify Dean Campbell before noon Tuesday. Residence Officers will please follow this through with all counselors since a firm commitment must be made to the dining service. Menus will be provided so that a choice may be made ahead of time to speed up service. R.O.'s are asked to establish the necessary machinery in each house to handle choice of menus.
